

DO YOU WANT TO BE PART OF THE RECOVERY?

HURRICANES HAVE DEVASTATED THE UNITED STATES

Hurricanes Harvey, Maria and Florence have caused unparalleled damage in Texas, Puerto Rico and North and South Carolina. FEMA continues to send new personnel into Texas and Puerto Rico and is beginning to plan for deployments into North and South Carolina. Luster National has been providing disaster recovery staff to FEMA for the past seventeen years. We are constantly on the lookout for additional personnel to deploy to the FEMA team.

JOIN LUSTER IN THIS DISASTER RECOVERY SUPPORT EFFORT TO HELP THE VICTIMS

Luster National, Inc. (LUSTER) seeks qualified individuals who are interested in participating in the recovery effort for fulltime 3- to +6-month assignments or longer. Individuals who are placed on an assignment will receive a per diem on top of their salary. The company offers generous benefits to W2 employees to include 401(k), medical, dental, and life insurance. The following labor categories are needed:

- Project and Construction Managers
- Cost Estimators (ALL Disciplines)
- Insurance Claim Adjusters
- Architects, Mechanical
- Electrical Engineers
- Structural Engineers
- Planners
- Grant and Technical Writers

NO prior Natural Disaster Emergency Response Experience required, but desired.

Please submit your resume to LUSTER, to the attention of Dee Oatis at: doatis@luster.com

Include on the resume your full name, mailing address, phone and email. If you have had a U.S. Government clearance in the past five-years, please state so. All candidates will have to undergo a vetting process to be considered for deployment.
